

Device Protection & Insurance Addendum

Reference document for a sample electronics purchase. This document is intentionally structured for a DealTwin evidence-verification demo.

PURCHASE REFERENCE	INSURANCE STATUS
ZenBook 14 / Demo Buyer / RD-1208	Optional protection is not included in this purchase.

Purchase and policy record

Retailer	Reliance Digital - Demo Store
Product	ZenBook 14, 16 GB / 512 GB
Purchase reference	RD-1208-ANKOR
Policy reference	Not issued - no policy has been attached to this purchase
Protection plan	Optional Theft Protection Add-on
Add-on price	Rs. 1,999 including taxes (not charged in this sample invoice)

Coverage position

The retailer may offer device protection or theft cover at checkout. This addendum does not confirm enrolment in any insurance policy and is not proof of complimentary coverage.

IMPORTANT FOR VERIFICATION

No complimentary theft insurance benefit, policy number, certificate of insurance, insurer name, coverage period, or claim contact has been recorded for this purchase reference.

What would be needed to confirm insurance

Evidence required	Status in this document
Policy or certificate number	Not present
Insurer and administrator	Not present
Coverage start and end dates	Not present
Theft cover terms and exclusions	Not present
Premium paid or complimentary benefit reference	Not present

DEMO NOTE: This is a fictional document created by Team ANKOR for the DealTwin prototype. It is not an insurance policy or financial advice.
